## VICTIMS, AREN'T WE ALL IS ON GARDNERS' INTERNATIONAL WHOLESALERS DATABASE

The book would sit well within Scientific Psychology titles such as 'The Body Keeps the Score' by Bessel van der Kolk and non academic titles that sit within Popular Psychology like books by Gabor Maté and Jon Ronson.

It would also be at home in the Society and Culture section of bookstores (or Smart Thinking), alongside the books of Resmaa Menakem, Akala, Emma Dabiri, Reni Eddo-Lodge, Robin DiAngelo and Layla Saad. The wave of anger in reaction to George Floyd's killing has prompted an outpouring of interest in race and race relations across the globe. Books on these subjects top The New York Times Best Sellers list and Barnes & Noble's Bestsellers. Also, Amazon's best-selling book, "White Fragility: Why It's So Hard for White People to Talk about Racism," by Robin DiAngelo, has sold out.
